Fenwood Creek Watershed Cost-shareable Practices

The Marathon County Conservation, Planning and Zoning Department's mission is to promote and protect our community's land and environmental resources to ensure Marathon County has healthy people, a healthy economy, and a healthy environment today and tomorrow. Thank you for working with us to protect the public health and safety of the people of the County.

Fenwood Watershed Large Scale Targeted Runoff Management (TRM) Grant

The Targeted Runoff Management (TRM) Grant Program is a cost-share reimbursement grant program. The maximum cost-share rate is up to 70% of eligible expenses (up to 90% for economic hardship), up to a maximum award of \$600,000.

Some of the common practices (not a complete list) that can be cost-shared are listed in the table to the right.

If you're interested in some of our cost-shareable practices, contact Marathon County Conservation Department.
